BBA PAC21

DECEMBER 2022 UPDATE

This newsletter features images from Greenhills Conference Centre. Greenhills is located on the outskirts of Canberra, in the suburb of Stromlo, sitting on the Murrumbidgee River overlooking the Cotter Valley. Greenhills will be the base for PAC21 accommodation, on-site activities and the camp Admin centre.

As previous PAC attendees can endorse, each PAC has quite a few activities that you will undertake throughout the camp and these can be quite unique and challenging. In general terms some of the components of this camp will include:

- On-site activities
- Electives (both on site and off)
- Discover Canberra (including some places that can only be seen in Canberra)
- Big day in

More information about camp will be released through 2023. So if you are interested in finding out more about the camp, you can join the PAC21 Facebook page (just remember to answer the security questions), talk to other boys from your Company who have gone to a previous PAC, ask your Company Captain or you can email pacamp@brigadeaustralia.org.
