\$1300*

**includes accommodation, meals, transport during camp, all scheduled activities (excluding electives with a cost)*

Accommodations indoors, limited numbers.

See the fun & challenges of Canberra, visit the Australian War Memorial and other National sites.

On site activities, see in and around Canberra, plus electives!

But wait there is more

Now that I have your attention, Yes! the 21st Pan Australia Camp is on and planning is well underway. The camp is to run in January 2024, COVID has pushed the camp back a year. The price is a significant increase over previous camps, and we are very conscious of the impact that this will have on finances required to send participants to camp. Expected prices by the providers in Canberra 2024 has forced the rise in camp fees. \$1,300 per person is the all-inclusive price, with some extra costs maybe incurred with some electives off site choices available, which will be advise when costs have been locked down. The planning is to be as cost effective as possible.

Please consider sending your Kids and Leaders' to PAC21, the benefits are priceless and experiences life changing. Taking part in PAC worship and gospel learnings, making lifelong friends, taking part in some amazing adventurous activities see some of the National Capital's attractions and wonderful surrounding areas.

Let the Kids and Leaders come and "hear the truth" for the gospel, learn and worship the living God. Be part of the Boys Brigade Australian network (& possibly some Overseas BBers!). Stay tuned for more details.
