

PAC21 - JAN '23 UPDATE

FROM THE PAC DIRECTOR

PAC21, Greenhills Centre, Canberra Jan 2024.

What can the campers expect, excellent question?

Campers will be able participating in a variety of activities hosted on and off site. These activities will incorporate adventurous elements, educational activities, physical tasks, develop team building skills, spiritual growth and build friendships that could last a lifetime.

On site activities include, Vertical Challenge, Crate Climbing, Water Frenzy, Team Initiatives, Bush Cooking, orienteering, Oval Games, Air Hockey and Table Tennis just to mention a few.

Offsite activities involve a "C Canberra day" with the extra challenge of a "Munzee" course.

Tours to the Australian War Memorial, Questacon, Casuarina Sands, and a range of electives.

Some electives are covered in the camp fee while other will come with an extra cost (cost TBA later with final costs closer to the camp), such as Paintball. All will be clear by the time elective nominations are requested.

Campers will be transported by chartered transport to and from the camp site. Quiet times in the mornings are an excellent way to start the days and concluding on some night-times with the worship and celebrations being a long-standing feature of PA camp.

Register now and be early for the elective nominations.

*Shane Needer
PAC Director.*

PAC LOGO

Stay tuned for the unveiling of the PAC21 logo in our next update.

CAMPER REGOS

In the next few weeks, those who have expressed interest will receive their camper number and details to complete registration and for payment of the deposit

336
